Hi Eric,

I found very minor differences on the below pages, attached and highlighted. I don't think either highlighted part is very critical, but that's the differences there are:

Pg 11 on 4/29 and pg 30 on 4/27

Pg 27 on 4/29 and pg 48 on 4/27

They are likely changes related to what we know they are changing in the confidential appendix.

Thanks,
